

# Why is whistleblowing important for humanistic management?

19 Feb 2021 –

International Humanistic Management Association webinar

**Wim Vandekerckhove**

Professor of Business Ethics

Co-Director CREW, University of Greenwich

Editor-in-Chief Philosophy of Management

## Internal whistleblowing systems

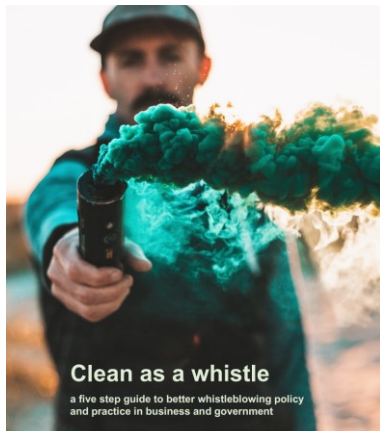

How do you get it right? Not just more reports.

Handle them better !

How?

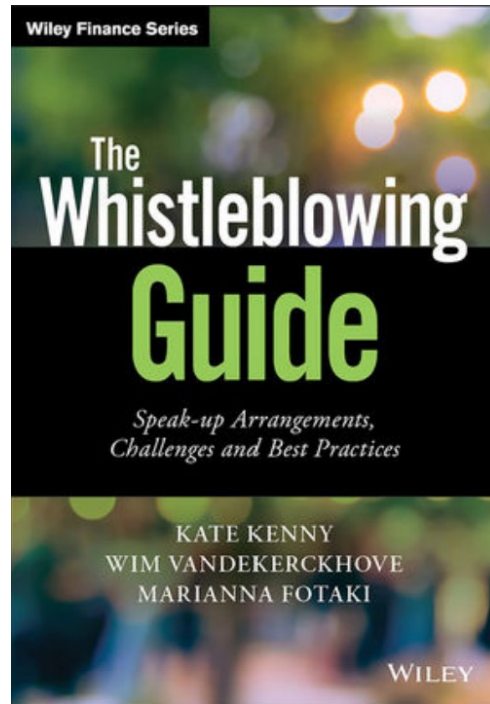

1. Complex cases – look at your triage
2. Pro-active protection – early risk assessment
3. Maintain trust – reconsider how and when you give feedback

## Resources

Whistling While They Work 2 – key findings and actions  
August 2019

Whistling While They Work 2 project: especially the ['Clean as a Whistle' bundle of working papers](#) from the project
